MEMORANDUM IN SUPPORT

Pursuant to Fed. R. Civ. P. 6(b), “when an act may or must be done within a specified time, the court may, for good cause, extend the time (A) with or without motion or notice if the court acts, or if a request is made, before the original time or its extension expires; or (B) on motion made after the time has expired if the party failed to act because of excusable neglect.” Further, S.D. Ohio Local Rule 7.3(a) provides:

- (a) Motions for Extension of Time. Prior to filing any motion for an extension of time, counsel shall consult with all parties (except prisoners appearing pro se) whose interests might be affected by the granting of such relief and solicit their consent to the extension. The motion shall affirmatively state that such consultation has occurred or was attempted in good faith and shall state whether the motion is unopposed. If the extension is not opposed, the movant should submit a proposed order to the Court in the form prescribed by S.D. Ohio Civ. R. 7.4.

The parties hereby jointly request that the Court’s Calendar Orders dated September 23, 2020 (Doc. 17) and December 14, 2020 (Doc. 21) be modified such that: i) the deadline for motions relative to the pleadings be extended from February 15, 2021 to March 3, 2021; ii) the time for motions relative to the pleadings be extended from March 1, 2021 to March 31, 2021; and iii) the deadline for disclosure of expert witnesses and submission of expert report(s) be extended, with Plaintiff identifying and producing primary expert report(s) on or before April 1, 2021 (as opposed to March 1, 2021) and Defendant identifying and producing expert report(s) on or before May 1, 2021 (as opposed to April 1, 2021).

As previously indicated, an extension of time would allow the parties to continue to pursue the mediation which began on January 14, 2021, prior to engaging in further discovery related to amending the pleadings. No party will be prejudiced by this extension, and there are no other case deadlines which would be affected by the same. The proposed order granting the motion is attached.

Respectfully submitted,
